

## **MEMORANDUM**

**TO: Commissioners Hardy, Hadley, Landis, Server and Ziegner**  
**FROM: Jerry L. Webb, Director of Gas/Water/Sewer Division**  
**DATE: January 19, 2006**  
**RE: Utility Articles for Next Conference**

The following Final Article A and Preliminary Article A are submitted to each of you to acquaint you with the tariffs eligible for action or acceptance on or after January 25, 2006.

**“A” Final**

The following new miscellaneous item will be eligible for final consideration at the next Commission Conference and based upon a review of it by staff members of the Commission, I recommend approval.

**1. North Lawrence Water Authority**

The utility is proposing to add a Minimum Charge per Month for a 6 inch meter, increase the Connection Charge, increase the Reconnect Fee, add a charge for a Visit to Customer Premise (in order to disconnect a past due account, but payment arrangements are made and service is left on), and increase the Meter Test Charge. The reason for the increases is to make these services cost supported. Cost support has been provided.

<b>Description</b>	<b>Current Charge</b>	<b>Proposed Charge</b>
Minimum Charge per Month – 6 inch meter	N/A	\$496.05
Connection Charge	\$450	\$650 (short side) and \$1,050 (long side)
Reconnect Fee	\$10	\$25 (during regular business hours) and \$37.50 (after regular business hours)
Visit to Customer Premise	N/A	\$20
Meter Test (after free initial test, additional tests within 36 months)	\$8	\$18

The tariff pages affected by this filing are pages 1, 2, and 3 of 3 (page numbers not listed on current tariff).

Please indicate your consideration and action of all the preceding items on the appropriate lines provided below.

## **“A” Preliminary**

The following new miscellaneous item has been reviewed by staff members of the Commission and we recommend accepting it for filing.

### **1. PSI Energy**

The utility seeks Commission approval of a change to the availability section of Standard Contract Rider No. 57, Net Metering. This change, if approved, will allow PSI, at its discretion, to provide net metering under Rider No. 57 to customers who may not otherwise be eligible for net metering. There are no other changes to the net metering rider.

The tariff sheet affected by this filing is:

Sheet No. 57 (2 pages).
